olive & coconut oils  
beeswax & honey  
cedarwood essential oil  
equal parts:  
di yu -sanguisorba root  
hu po - amber  
long gu - dragon bone  
mo yao - myrrh  
ru xiang - frankincense  
xue jie - "dragon's blood"  
zhen zhu - mother of pearl

### Directions for Use

A unique blend of cooling and tissue-regenerating Chinese herbs to soothe all types and degrees of burns. Soothing, cooling, and heals burns quickly. Not to be substituted for emergency medical care.

Apply liberally to 1<sup>st</sup> or 2<sup>nd</sup>-degree burns; for overnight use on severe 2<sup>nd</sup>-degree burns, apply salve to burn, cover with honey, tape gauze in place. Can be used on 3<sup>rd</sup>-degree burns that have begun to heal.

Also effective for sunburns, insect bites, acne, damp-heat rashes, & rough, tough, calloused skin.

USE TOPICALLY! All ingredients are edible, but meant for external use. Very cooling, Avoid on lips or skin peeling due to cold.
