

Love  
Oh, love  
There are so many ways to love  
So many people  
I want to say  
“I love you!”  
No, not like that...  
But deeper, more real.  
I love YOU.  
Why does this culture  
Insist  
On so few ways  
To express and  
To name  
Love?
